EXT BENCH IN FRONT OF SCHOOL - EVENING

Scenes: 6

<u>Script</u>	<u>Setup</u>	<u>Shot</u>	<u>Done</u>
1	1	 ESTABLISHING Memramcook Institute building and grounds Camera locked down for long shot, perhaps with jib depending on height of trees	<input type="checkbox"/>
2	2	 MASTER Leslie is with Terry and is talking to her Dad on cell phone Camera locked down for next 2 scenes	<input type="checkbox"/>
3	3	 M.S. A car is stopped and talking to Terry, then a frightened Terry rides away on her bike. Camera from original position follows car to where it stops in front of Leslie	<input type="checkbox"/>
4	4	 OVER THE SHOULDER Man offers Leslie a ride Camera looks thru vehicle window & focuses on Leslie as she bends over to respond & eventually gets in.	<input type="checkbox"/>
5	5	 OVER THE SHOULDER Leslie looks at driver, then left & right, then jumps in Camera looks thru vehicle window & focuses on Tony but is back far enough to see Leslie when she returns upright to look for father, & follows vehicle as it pulls away while truck passes on left.	<input type="checkbox"/>
6	6	 WIDE SHOT Tony & Leslie watch as truck passes them on left Camera in back seat shooting through the windshield as truck passes. Tony & Leslie are in frame and killers begin to shoot	<input type="checkbox"/>
7	7	 M.S. Truck passes Tony's car on left and begins to fire Camera on jib follow truck as it passes, then locks down at point where the windshield will be blown out.	<input type="checkbox"/>
8	8	 M.S. Car receives gunshot damage from passing truck at firing range Camera is set at exact angle as in previous shot but at a distance & zoomed in while gunshot strikes the car at firing range	<input type="checkbox"/>
9	9	 M.S. Leslie and Tony are slumped over Camera on jib starts at smoking radiator then pans up to windshield to see the 2 dead victims.	<input type="checkbox"/>
